

TimeOut LA's Michael Juliano

Hi Michael –

We're glad you thought that the Luxe Sunset Boulevard Hotel was the "[most luxurious polling place imaginable](#)", because we're about to offer you a **totally free stay at the Luxe Rodeo Drive Hotel** as a little thank-you for the compliment.

The Luxe Rodeo Drive Hotel just opened a brand-new Rooftop 360 experience as an expansion of the unique guest-only Luxe Club on Rodeo. It's everything the Luxe brand embodies – Elegant, trendy, and completely exclusive, just like the Luxe Sunset Boulevard Hotel election day experience you wrote about earlier this week.

When you stay with us at the Luxe Rodeo Drive Hotel, you'll be staying at the only hotel on Rodeo Drive (!), but more importantly, you'll be one of the first to try the Rooftop 360's new amenities like...

- **An indoor-outdoor fitness center** with new, state-of-the-art fitness machines.
- **The rooftop spa** where you can get relaxing massages and facials.
- **An outdoor film screening area** (complete with popcorn and concessions!)
- And all of the other Luxe Club on Rodeo treats, like the chic tasting room and lounge downstairs, or the complimentary valet parking.

For more information on any of those amenities, I've attached our press release on the new Rooftop 360 experience. And if you like what you see, then chances are your TimeOut readers will, too - So why not share your Luxe Rodeo Drive Hotel experience with them after your complimentary stay?

There's seriously no reason *not* to come stay with us. Bring along your fiancé, a friend, or even your cat; we'll show you a classy night here at the Luxe Rodeo Drive Hotel no matter who your guest is. **Did we mention it's free?**

Don't hesitate to reach out if you have any questions at all – I can be reached at (503) 504-3721 at any time, or go ahead and [check out our website](#) to start planning your stay today!

Best,
